Shipping methods and payments

Rexel offers a delivery method for every need. A single delivery can include multiple orders delivered to the same address.

Regular route delivery €45

Orders before 4 pm (more than 25 mm² or thicker measurable cables at 2.30 pm), delivery the next business day. One delivery can contain multiple orders to the same address. The price does not include lifting equipment and does not apply to time window delivery (see below).

Fuel fee €5.90

We charge a fuel fee for each delivery. Does not apply to in-store and OmaMyymälä deliveries, nor to arrears deliveries when all products are arrears.

Time window delivery Actual freight costs + €100

Delivery within the time window requested by the Customer. Invoicing either in connection with a normal sales invoice or with a separate invoice.

Rexel **FLASH express delivery Actual freight costs + €50**

- Delivery within a 25 km radius of the Rexel service store from 7 am to 4 pm
- Delivery from Rexel's central warehouse to the operating area
- Details in the Rexel Flash brochure

Delivery requiring lifting equipment (e.g. HIAB or reach stacker) Drop / €170

Invoicing either in connection with a normal sales invoice or with a separate invoice. The price does not include a delivery fee (e.g. normal route delivery or time window delivery).

Deliveries requiring special equipment Actual freight costs + €170

Deliveries requiring special equipment (e.g. large transformers, cable protection pipes, concrete pedestals, shelves and columns longer than 3 metres). A delivery time of at least two days is required to arrange special transportation. The price of special transport does not include unloading, which is charged separately (€150/drop). Invoicing by separate invoice.

Emergency deliveries Actual freight costs + €300

Emergency deliveries made after 4 pm on weekdays, weekends and public holidays.
